Ray's been door knockin'

As you may already know, Ray's campaigning for re-election.

Ray, his family, friends and support staff have been busy door

knocking and campaigning. His "troops" have been busy.

Maybe you've seen them in a parade? Ray's using his Case DCS tractor to pull his trailer of supporters. While he's out campaigning, the office staff does a great job of keeping things running smoothly.

Summer Highlights

Carleton College

Summer is here and so is remodeling at Carleton College. We have several repair jobs scheduled for Carleton College once again this summer. Carleton College has

been a dedicated and valued customer of NCC for many years. We appreciate their patronage and value them as a customer. Arland Schwake has been the Carleton College Construction Supervisor for many years. He has done a wonderful job and all the personnel at Carleton praise his work. Mike McKeag & Dean Morkassel will be assisting Arland at Carleton this summer. We're sure they will do a wonderful job!
